

June 24, 2011

Dear Fall Creek Academy Families:

I hope your summer is going well and that you are getting to spend some quality fun time with your children.

I wanted to write a quick note to all of you to simply congratulate you on a great year at Fall Creek Academy. ISTEP scores are back and the raw scores show dramatic improvement at the school. Preliminary ISTEP test results for Fall Creek Academy reveal a 20% gain in language arts and a nearly 10% gain in math scores. Also, the preliminary graduation rate is 88% for Fall Creek, with 100% of the graduating class going on to college, the military, or other post-secondary opportunities.

In further news, this week, Fall Creek Academy received a \$20,000 check from the Indiana Department of Education for having one of the best non-waiver graduation improvements between 2009 and 2010. **Fall Creek had the best improvement in the entire state!**

There are so many reasons to celebrate our students' accomplishments but the celebration would not be complete without thanking the other people who made these successes possible: our teachers and YOU... our great and supportive families.

We look forward to seeing all our students return this fall and having a great school year!

Sincerely,

Kevin Teasley
Founder

WELL DONE!

Celebrating the FCA successes of 2010-11.
